

Task 2: Find your match

Look at this list of statements. Tick any that apply to you. You can tick as many as you like!

I sometimes/often look after someone younger than me

I visit an older relative sometimes

I help family if they get stuck with computers or technology

I'm always on time.

I sometimes get asked to help my teachers

I can speak or understand more than one language

People often come to me to ask for advice or help

I sometimes step in to sort out an argument

I do some of the house work / chores

I sometimes help a neighbour

I sometimes / often cook a meal

Now go back to your personal statement framework. What else can you add?
